

Your Personal Health Information and your Medical Record may be collected, used and disclosed for the following reasons:

- For communicating relevant information with other treating doctors, specialists or allied health professionals.
- For follow up reminder / recall notices (By Telephone, SMS, Mail)
- For National/State or Territory registers (i.e. Immunisation data)
- For State/Territory reminder systems, (e.g. cervical screening – pap smears reminders or familiar cancer registries).
- Accounting / Medicare / Health Insurance procedures
- Quality Assurance activities such as accreditation
- For disease notification as required by law (e.g. infectious diseases).
- For use by all doctors in the practice when consulting with you.
- For legal related disclosure as required by a court of law (e.g. subpoena, court order, suspected child abuse).
- For research purposes (de-identified, meaning you are not able to be identified for the information given).

Patients are requested to give consent for the Electronic Transmission of Prescriptions and that they do not give consent for de-identified details for clinical audits. This is done on the New Patient Form when arriving as a new patient at the practice. The form is also available on our website.
